

SWAP GUIDE

HOW THE SWAP WORKS

Register & Drop Off Fabric:

You must register for a fabric drop-off time before the event.

Drop-off dates- 3/15, 3/21, 3/27

When you drop off fabric, our team will inspect and categorize it.

You will receive swap tickets based on the fabric you donate.

Bring Your Tickets to the Event:

On swap day, you'll use your tickets to "purchase" fabric from the swap room.

Fabric purchase is welcome. You do not have to swap!

Each fabric has a ticket value assigned to it.

Choose Your New Fabrics:

Browse the swap room and select fabrics that match the number of tickets you have.

Once you finalize your selections, check out with a swap volunteer.

No Guarantees on Availability:

We cannot guarantee that the fabric you want will be available.

If you do not find fabric you like, you may keep your tickets for a future swap event.

No Day-of Swapping:

All fabric must be dropped off in advance. No fabric donations will be accepted on the day of the event.
